Dear Mr. Saylor:

Thank you for your letter of 24 June 1958 concerning an inquiry which you received from Mr. [redacted].

His application has been appropriately coded and should the situation change, we will so advise him.

We are returning Mr. [redacted] letter to you as requested, and appreciate your interest in referring him to us.

Sincerely,

The Honorable John P. Saylor  
House of Representatives

Dear Mr. Saylor:

Thank you for your letter of 24 June 1958 concerning an inquiry which you received from Mr. [REDACTED]

STAT

When Mr. [REDACTED] was interviewed in the summer of 1957 and in January 1958, it appeared unlikely that we would have a position available for him but, as indicated in General Cabell's letter to you of 18 March 1958, we were glad to consider his application. Subsequently, Mr. [REDACTED] completed our application materials and his qualifications were reviewed against our current needs. While from time to time we have a requirement for applicants with advanced Russian language ability coupled with foreign area knowledge or an academic specialty, we do not have a current opening in which we could use a man of Mr. [REDACTED] particular qualifications.

STAT

We appreciate Mr. [REDACTED] desire to be associated with this organization and will advise him if an appropriate opportunity for his employment should arise. Mr. [REDACTED] letter to you is returned as you requested.

Sincerely,

Allen W. Dulles  
Director
